SUPPLEMENT TO REPORT NO.

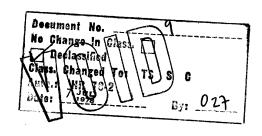

In certain unspecified zones in Italy, the Partito Commista Italiano (PCI; Italian Communist Party) has allegedly approached the Movimento Sociale Italiano (MoI; Italian Social Movement), requesting a promise of neutrality should the PCI initiate an armed insurrection. The reward offered by the PCI for MSI acquiescence is the personal safety of MSI leaders and members.

> MSI reaction to this proposal is not known. According to source, the MSI is the only group capable of providing effective opposition to any locally
